2 STRUTTURE / STRUCTURED:

Naturale / Matt
Naturale 3D / Matt 3D

1 SPESSORE / THICKNESS:

8,5 mm

Alba is a new chapter in the Miniature project, enhancing the expressive potential of the small format to create compositions with strong visual appeal. The collection celebrates the material quality of hand-worked raw earth through delicate shading that recalls the nuances created during the drying process. Combined with a subtle veil of sand, these effects shape a surface with depth and authenticity.

Each piece thus tells a unique story within a harmonious whole, pairing the 12x12 cm - 5”x5” base tile with a wall decoration in the same format, developed around a square with subtle irregularities along the edges and corners. This element offers even greater design freedom, paving the way for refined visual grids, alternating solids and voids, and other customised patterns.
